Dear Parents,

Congratulations to Nikkita Weldon who has been selected in the Far West Academy of Sport Netball squad. This demonstrates a great deal of dedication from both Nikkita and her family as it involves a great deal of travel. We wish you well!

I would like to congratulate the 456 PUBLIC SCHOOLS who contributed to the 2014 School Spectacular. Nyngan High School was one of the schools. The concert was certainly spectacular!

I had the pleasure of watching a documentary on Moorambilla (OutBack Choir) last night. This documentary was filmed in 2013 when Moisha Lord represented herself and Nyngan Public School. Moisha was visible throughout the documentary. Jessica Hall took part in Moorambilla in 2014. Students will be given this opportunity again in 2015. Thank you to Miss Sinderberry for her dedication to this program over the last 2 years.

The computers in our Computer Lab are very slow to respond to student requests due to age. As a result we have purchased an additional 62 computers for Nyngan Public. For security purposes the computers will not be delivered until after the holiday period.

I was informed of the loadings for the Resource Allocation Model for 2015 last Friday. This provides the budget for the implementation of programs at Nyngan Public School. A survey, to be sent home on Wednesday and returned Friday, indicates some of the ways that our RAM (budget) was spent in 2014. This may provide a guide when you begin to share your ideas of how the 2015 funding could be spent. Please share your ideas with other parents and complete the survey so that you can share your ideas with staff as well. Suggestions should aim to contribute to student learning.

Parents are invited to a consultation meeting Thursday 11th of December. At this meeting parents and staff will have the opportunity to share and add ideas for expenditure expressed in individual surveys. You will not be asked to identify who you are on the survey but can if you would like. You will not be identified on the night of the meeting.

I would like to thank the large number of parents who attended our final assembly for 2014. It was lovely to see the auditorium so full

Kylee Pearce,  
Principal

Library Stocktake is in progress. Please return all home reader and library books to the library this week.

Wood Chips - We have a large supply of wood chips at the school and are giving them away FREE. If you would like to come and collect some feel free to do so. We do ask that you do not spread the chips and try to keep them in a tidy pile.
