11th May, 2015

I would like to thank the staff of Nyngan Public School for the time they have dedicated to the Nyngan Show. Many staff were involved in placing the K-2 artwork up in the Walker Pavilion, others helped to take the show art down yesterday afternoon whilst others assisted the P & C in the kiosk. Congratulations to Mr Bonsing and Mr Knight for the Nyngan Public School Show Display. I have received a great deal of positive feedback from families and community.

A very big thank you must go to the families who supported the P & C with the kiosk either by providing goods for sale or by assisting in the kiosk over the 2 days. Many thanks must go to Mandy Martin for her coordination of this fund raising event. Mandy put in many hours behind the scene setting up the kiosk in a way that made working in there so easy as well as spending a great deal of time over the 2 days working in the canteen. Thank you Mandy!

Congratulations must go to all our students as it was their work that made the arts and craft pavilion look so beautiful! Our art work will be displayed in the auditorium for viewing by those who attend our next assembly. Those awarded prizes will have them given out this week.

Mrs Shone shared the garden success with our students at lines this morning. Congratulations to our gardeners who were awarded Most Successful Exhibitor and Champion Exhibit in Garden Produce.

Congratulations must also be extended to our students who placed cooking, craft, flowers and art into the various sections as a result of their after school interests and hobbies.
