Dear Parents,

I trust that all dads had an enjoyable day with their families yesterday. I know that many dads received beautiful gifts as a result of the Father’s Day Stall coordinated by our SRC students. Thank you Mrs Lakin for guiding our students through this event.

Many families visiting our Community Room over the last 18 months may have noticed the blue wall at the back of the room. This wall is in the midst of being converted to a warm and welcoming mural courtesy of the Nyngan Public School Yarning Circle. I look forward to placing a photo of the end product in our newsletter in Term 4.

After much communication over the last 18 months, Nyngan Public School has had a new sound system installed throughout the school. As of today the office staff will be able to share messages with staff and students without leaving the office. This is a valuable asset in the school as it will result in greater availability of office staff in the office. We have also had a new system installed in the auditorium. We look forward to sharing this with you NEXT Monday as 1/2P performs at our final assembly for Term 3.

I would like to wish Angela Tang, Kobe Parry, Kadie Norris and Toby Palmer the greatest of spelling as they head to the Premierees Spelling Bee spell-off in Dubbo on Friday.

Kylee Pearce
Principal

Literacy and Numeracy Week

This Week Nyngan Public School will join all schools in celebrating Literacy and Numeracy Week. You can help celebrate by reading a book with your child or encouraging them to read a book to you. You can encourage your child(ren) to use Numeracy around the house – counting, adding, subtracting and multiplying around the house.
Joc, Pat and Zaine sharing their novel with Mary.
